

Welcome to The Heritage At Carefree

Discover comfort and an independent lifestyle in our retirement home - **The Heritage At Carefree**. Our residents have little to worry about with an able concierge and care staff that is constantly at your service. We make your days in retirement resemble a luxurious home-style living – the way it should be.

In the warm climate of Carefree, Arizona, **The Heritage At Carefree** offers seniors a residential facility in an upscale environment. Our approach in providing senior services is an ideal solution where our residents are assisted with daily activities. We focus on your wellness and safety while maintaining the level of independence that you prefer.

Each of our residents receives customized care services and a plan of assistance tailor-fit to their needs. Along with these, you can expect beautifully decorated living spaces, delicious meals and snacks, engaging recreational activities, escorted transportation, and warm companionship.

We transform the standards of the retirement lifestyle we know today. We add incredible value where you can cherish each moment with us.

Come visit **The Heritage At Carefree** for a guided tour. Call 480-577-7800 to set an appointment.

About Us

The Heritage At Carefree is a residential retirement community that offers a safe home for elderly individuals in the warm embrace of Carefree, Arizona. Our lovely location is in a peaceful environment and favorably nearby spacious parks, shopping centers and recreational areas where seniors can enjoy the welcoming southwestern hospitality.

You can treasure every moment at the luxurious **The Heritage At Carefree** with the long list of services and amenities we offer – specially designed for senior residents to participate in. Our beautiful home has a sunny outdoor area where residents can lounge away lazy afternoons with their favorite book or a lively conversation with fellow residents and care companions.

The Heritage At Carefree rests on the foundations of great virtues such as love, patience and respect. In our pursuit to raise the bar in providing quality retirement services, we make elderly residents experience senior living at its best!
